CAMP DENNISON (Officers' Quarters and Guard-House)  
Hamilton County, Ohio

Owner. J. Maglin, Perintown, Ohio. Officers' building used as store room and barn by tenant farmer. Guard-house converted into a small residence.

Date of Erection. 1804 to 1815.

Builder. Christian Waldschmidt.

Present Condition. Officers' Quarters very dilapidated. It has been stripped of practically all its trim and interior doors and partitions. Chair rail, stair rail, mantels, etc. have almost disappeared- burned, for the most part, as firewood. The Guard-House has been completely renovated. Walls, joists, and roof-rafters are original portions.

Number of Stories. Officers' Quarters----Two and one-half.  
Guard-House-----Two.

Materials of Construction. Exterior walls and foundations of indigenous rock. Columns, beams, joists, and rafters of oak. Yellow pine floors. Poplar trim. Wood shingle roof. Interior partitions of wood.

Other Existing Records. Photographs made during Civil War period in the hands of Miss Marcia Lucia Buckingham of Camp Dennison, Ohio.

Additional Data. In this valley bordering the Little Miami River approximately sixty-thousand soldiers were mustered in and out of the service. Their tents, artillery range, etc. were spread over a considerable area. The building then used as a hospital is now a barn. The reservoir has been stripped of its original brick lining.
